

REV AVID Newsletter

October 2014

Senior Picture Day

Meet Mrs. Orland!

Orland came to REV as a counselor in 2004, she taught elementary school for 12 years. This is her first year as an AVID counselor and she already loves it. She loves how organized, polite and prepared for college all the students are. She wishes to help the AVID students through letter of recommendations, helping them do their best and to guide them. She wants to be able to become an additional support system outside of each student's family. She went to a 4-year college that was not a good fit for her at first so she transferred to a community college. After a year of being enrolled in the community college, she transferred back to a 4 year. Her unique perspective for college helps us know that community colleges are okay but that a four year college is an extremely

fun experience. She hopes the parents are comfortable calling her for any concerns.

We welcome Mrs. Orland to our AVID Family!

SENIORS!! DON'T FORGET THAT THE AVID OLYMPICS ARE COMING UP! START TRAINING NOW!

Important Dates:

- November 11th- AVID Jr. Olympics @ CVHS Stadium from 8am to 10am

- December 15th -18th- Community Service is Due and Finals Week!

As we all know, Mrs. Krause retired this previous year. She was a member of our AVID family and she is dearly missed. Although we all will miss Mrs. Krause, Mrs. Orland was asked to fill her position and we are all really excited to form a relationship with her. We know she will do a great job for the years to come. Before Mrs.

August/September Highlights

August and September had important activities for the AVID students.

- Jr/Sr Workshop Aug 28
- Parent Workshop Sept 8
- AVID Car Wash Sept 27

Seniors at the Parent Workshop

At the workshops, parents learned all about the curriculum and what AVID students are expected to know and experience. The difference between the Frosh/Soph workshop and the Jr/Sr workshop is that seniors taught the parents about the AVID basics and methodologies. Many of the parents were satisfied with the time and work the seniors put into the workshop. Our AVID carwash was also in September and was a big success. Everyone who helped out: Thank you!! In November we have our field trip to Azusa Pacific and Knott's Berry Farm! We are all very excited to spend time with our AVID family.
