

November Thrills for AVID

Created by Nicole K, Sydney K, Karen G, and Christina H.

November 2014

Special points of interest:

- AVID Olympics
- SAT & ACT scores are in
- AZUSA Pacific Fieldtrip
- CSU and UC Applications due Nov. 30

College Acceptances so far:

- Jeanette U- AZUSA Pacific
- Cookie Moreno- Chico State
- Sydney K- University of Great Falls
- Nicole K- Arkansas State University
- Chris B- Widener Univ.
- Maria B- Western State Colorado Univ.

It's Time to Work!

For our seniors, November is the month where we start planning our future. At the end of October we started filling out our college applications for colleges and some of our seniors have already been accepted!

This time of the year is very stressful for our seniors. Daisy Cardoza says, "The most stressful part about this month is filling out all the college applications because they are planning their future before they even finish high school! To add to the stress, seniors also have to keep up their grades. This year really defines who you are... seniors will either excel and live up to their expectations and capture their dreams or they will let the stress get to them, letting their future plans slip through their hands."

Luckily, our AVID seniors have Mrs. Bailey to help us through this month and the rest of the year. Not only is she preparing us for next year but she has us on top of our game by giving us checklists every month to make sure we do not fall behind. To many AVID seniors, this list can be the most stressful thing they do, but what they don't realize is that it is really a luxury. Without this list, we would not know what scholarships we could apply for or what deadlines there are to meet. Everything we do in AVID is to benefit us not only as students but as adults.

AVID Olympics

This is our last year and most of us will not see each other after June so this year is about making memories and living in the moment. As seniors, we have grown and bonded together more than ever. The AVID Olympics is a great example of making memories and having fun as a family. Last Tuesday, all of our seniors were pumped about the AVID Olympics. We played kickball, dodge ball, and tug a war. When we got together there was so much energy and yelling that everyone knew we were there to win. "They don't know what they are in store for," said Ali. When it came to the final decision, REV won by a long shot.

AVID Field Trip... Time to have fun!!

This year is about more than stress and working hard. We also have fun in all this commotion. Last Friday, 135 AVID students visited AZUSA Pacific and after that, we went to Knott's to have fun and bond.

Students at Azusa Pacific on Nov. 14th

Last Tuesday, the seniors had their AVID Olympics where we competed against CVHS and RHS to win the smudge pot. We even had the Juniors compete in their own Olympics with some 8th graders. This is not just about competition but it gives us a chance to get better acquainted with other AVID students in the district.
